## SEMINAR VENUE & DATE

Dr. Virendra Swarup Education Centre ,  
Awadhपुरi, GT, Road Kanpur  
23rd Nov. to 25th Nov. 2018

### About the Seminar

ISCA was started in the year 1914 in Kolkata. The first meeting of the ISCA was held on January 1914 at the premises of the Asiatic Society, Kolkata. There are 29 ISCA Chapters located in all over India, Kanpur Chapter is one of them. ISCA Kanpur Chapter is organizing three days Seminar on

### Focal Theme - Future India: Science & Technology.

Modern India realises that scientific research is a key element in the holistic development of the country. Indian Scientists, Contribution in all research fields such as: Agricultural Science, Medical Science, Space and Atomic Science etc is incredible. The scientific quest is an unending journey which seeks to bring fruits of development to the common man so as to contribute in the development of society and humanity. In the real world the development of formulated knowledge for solving social problems has been gaining equal importance. It is widely accepted that the future generations would rely on the power of scientific knowledge to solve problems of food and nutrition security, affordable health care challenges, energy and environment related problems, water and sanitation related challenges, etc. Science and Technology are the emerging pillars for future societies and social challenges which would emerge as a building block for the future of India.
