GOVERNMENT DEGREE COLLEGE, SAMBA IN COLLABORATION WITH INDIAN SCIENCE CONGRESS ASSOCIATION, JAMMU CHAPTER

Convener: Dr. Ranvijay Singh
9419152052

Co-ordinator: Dr. M.S. Pathania
7006048421

Patron: Prof. (Dr.) G.S. Rakwal: (Principal), Govt. Degree College, Samba)

Organising Secretary: Dr. Vikas Dogra
9419128192

Co-organising Secretary: Dr. Manjulla Gupta
9419251147

About Samba:

- Situated at a distance of about 40 kms from the picturesque winter capital of J&K state, Samba is a city falling in the district by same name. The adjoining Shivalik Hills and the meandering Basantar river bestow natural beauty upon this clean and green abode.
- Located at 32.57°N 75.12°E, Samba has an average elevation of 384 mts. (1259 feet). It being a sub-tropical zone, the climate of the district is hot and dry in summer and cold in winter.

How to reach:

- Samba can be reached through flight, train or bus. The distance from Jammu Airport (IXJ) to Samba is about 35 kms while that of Railway Station, Jammu to Samba is about 33 kms.
- Since Samba is situated on the National Highway NH1A, there are regular Buses plying from the other parts of the country connecting Samba.

About Degree College, Samba:

- Govt. Degree College, Samba, affiliated to University of Jammu was established in the year 2005, by the Govt. of Jammu and Kashmir. This college is a co-educational institution set amidst spectacular ambience with Nandini Hills on one side and Basantar on the other. The college caters to about 2500 students pursuing different academic courses in medical, non-medical, commerce and arts streams.

Call for Abstracts:

- The papers relating to Biological, Chemical, Physical, Environmental, Computer and Mathematical Sciences are welcome. Besides, any paper showcasing the use of science related principles towards uplifting rural concerns are welcome.
- Participants desirous of presenting papers in the seminar are requested to send the abstracts (not exceeding 400 words) on or before 30th of November, 2019 along with the duly filled google form via link
 - <https://forms.gle/vAIjL6AojiUdgshb6>
 - or via the link provided on college website www.gdcsambain.
- The presentations, both oral and poster, shall be evaluated and judged for 1st, 2nd and 3rd position by an expert committee.
- Full length papers shall be published in the proceedings of the ISCA.

About Indian Science Congress Association (ISCA):

- The Indian Science Congress Association (ISCA) is a premiere organisation that strives hard for encouraging the inculcation of scientific temper in daily routine of people.
- The annual meeting of scientists and academicians pan India with those of the leading researchers and academicians of the world is presided over by none other than Prime Minister of our country.
- The main thrust areas of ISCA revolve around promoting the cause of science in India by means of holding an annual congress at a suitable place in India and by publishing such proceedings, journals, transactions and other publications as may be considered desirable.

About ISCA Jammu Chapter:

- Ever since its inception in 2009, the Jammu Chapter of ISCA has been striving hard to create awareness about the role of science in human growth and development and to imbibe scientific temper in youth of the state.
- In its endurance, chapter strives to reach out to schools, colleges and universities of Jammu as well as Kashmir.
- The functionaries of chapter are constantly trying to make the students aware of the importance of scientific temper in our daily lives.
- Activities of varying magnitudes are organised by the chapter in colleges, schools and universities pan J&K.

About the seminar:

- The National Level Seminar on Science & Technology: Rural Development has been conceptualised to deliberate upon the scientific advancements that have transformed rural areas towards development for sustainable and profitable livelihood.
- There is no denying the fact that that science and technology has to be adopted to increase efficiency in production, productivity and marketing phases of rural sector. It is with this aim that Popular lectures, Invited Scientific Talks, Research paper presentations and student participation have been incorporated in the proceedings of the upcoming seminar.
- The seminar shall also be a medium to showcase the efforts being made by ISCA towards rural development.
