About the National Seminar

Welcome to the City of Lakes

Dear Colleague,

We are happy to inform you that The Indian Science Congress Association (I.S.C.A.), the country's largest scientific congregation is celebrating its centenary year. Dr. Manmohan Singh, Honorable Prime Minister of India is the General President of ISCA. Earlier, in 1947, Pandit Jawahar Lal Nehru was its pioneer General President. Thus under the patronage of our Prime Ministers, Indian Science Congress Association has made one of the biggest contributions in scientific development.

Officials of ISCA

Hon. Dr. Manmohan Singh, General President

Dr. T. Ramasami, Secretary DST & Representative of G.P.

Prof. Geetha Bali, Immediate Past General President

Prof. R.C. Sobti, General President Elect

Prof. Vijay Laxmi Saxena, Gen. Secretary (Scientific Affairs)

Dr. Manoj Kumar Chakrabarti, (Membership affairs)

Mr. N.B. Basu, Treasurer.

Dr. Amit K. De, Executive Secretary, ISCA.

The Bhopal chapter of the Indian Science Congress Association and Madhya Pradesh Council of Science and Technology are organizing a National Seminar on "Science for Shaping the Future of India" on **30th & 31st October, 2012** at Vigyan Bhawan, M.P. Council of Science and Technology, Nehru Nagar, Bhopal.

The main objective of the seminar is to provide opportunity to senior and young scientists to interact and express their views on the theme of the seminar. It is also aimed to recommend measures in science for shaping the future of India with special reference to Madhya Pradesh. Full length papers presented in the seminar will be published in Asian Journal of Experimental Sciences / or in the form of Proceeding.
