PREFACE

The year of 2020-2021 left the world stunned by the outbreak of global pandemic COVID-19, the highly contagious viral illness caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2), has had a catastrophic effect on the world's demographics resulting in more than 3.8 million deaths worldwide, emerging as the most consequential global health crisis since the era of the influenza pandemic of 1918. Since being declared a global pandemic, COVID-19 has ravaged many countries worldwide and has overwhelmed many healthcare systems. The pandemic has also resulted in the loss of livelihoods due to prolonged shutdowns, which have had a rippling effect on the global economy. India was also severely affected by this deadly virus, and this caused the postponement of 108th Indian Science Congress

Limiting the continuing spread of this virus and its variants has become an issue of increasing concern, as SARS-CoV-2 continues to wreak havoc across the world, with many countries enduring a second or third wave of outbreaks of this viral illness attributed mainly due to the emergence of mutant variants of the virus.

The old proverb 'prevention is better than cure' has been found contemporary in this context also. It has been proved that small steps like maintaining proper distance, using mask, frequently washing of hands, sanitization etc. may lead to a potential prevention against this disease. During the pandemic time the role of Indian Science Congress Association (ISCA) becomes very significant and far-reaching due its large number of members from all India.

Twenty-Six ISCA Chapters played a vital and significant role in fighting against this pandemic by organizing various webinars, awareness programs, offering a helping hand to the common people etc. Apart from this, the twenty-six ISCA Chapters continued their activities during the year under report by organizing seminars on Focal Theme of 108th ISC, symposia, lectures, quiz contests, etc. Among various activities, the Chapters observed National Science Day, World Environment Day, Yoga Day, World Wetland Day, Earth Day,

National Technology Day, World Health Day, World AIDS Day, National Children Day, Teachers Day, etc.

The Association feels greatly honored for receiving active financial support from Department of Science & Technology, Govt. of India, to carry out many of its intended activities and to execute improvements over its existing infrastructure. Attempts are being made to expand resource base and improve the fund position by effective fiscal management. The strength of Association lies in the strong support being received from its members.

The Indian Science Congress Association

PROFILE OF THE INDIAN SCIENCE CONGRESS ASSOCIATION

The Indian Science Congress Association (ISCA) is a premier scientific organization of the country established in 1914. ISCA has been promoting science and inculcating the spirit of science through its multifarious activities. ISCA meets in the first week of January in an Annual Congress of scientists, science administrators, policy makers and the general public to give a stronger impulse and a more systematic direction to the scientific inquiry, to promote the interaction of societies and individuals interested in science in different parts of the country and to obtain a more general attention to the objects of pure and applied sciences. ISCA brings together scientists both from India and abroad for mutual interaction in the cause of national development. Annual Congress of the Association has been held every year ever since 1914 with a very distinguished scientist as its General President.

The Association was formed with the following objectives:

1. To advance and promote the cause of Science in India;
2. To hold an annual Congress at a suitable place in India;
3. To publish such proceedings, journals, transactions and other publications as may be considered desirable;
4. To secure and manage funds and endowments for the promotion of Science including the rights of disposing of, or selling all or any portion of the properties of the Association;
5. To do and perform any or all other acts, matters and things as are conducive to, or incidental to, or necessary for, the above objectives.

Since its foundation, the Association has steadfastly worked to uphold its lofty objectives. The scope of its activities has expectedly increased many fold since 1914. The first Session of the Congress was held during January 15-17, 1914 at the premises of The Asiatic Society, Kolkata, with the Honourable Justice Sir Asutosh Mookerjee, the then Vice-Chancellor of the Calcutta University, a General President. One hundred and five Scientists from different parts of India and abroad attended and papers numbering 35 were divided into six sections; Botany, Chemistry, Ethnography, Geology, Physics and Zoology under six Sectional Presidents. From these relatively modest beginnings ISCA has grown into a strong fraternity with nearly fifty thousand members – who participate in fourteen different sections of the Congress. The number of papers communicated for presentation has risen to more than one thousand five hundred. After independence ISCA has been actively interacting with various foreign Scientific Academies/Associations, namely, British Association for the Advancement of Science, American Association for the Advancement of Science, French Academy of Sciences, Bangladesh Academy of Sciences, Sri Lanka Association for the Advancement of Science, Beijing Association for Science & Technology and others with a view to have a fruitful interactions on topics of mutual interest.

The year 1976 witnessed a significant departure in the trend of deliberations during the Congress. It was being felt for sometime that such a gathering of scientists, covering a wide spectrum and seized of national issues that have scientific and technological implications to adopt a cogent theme every year. In 1976, Dr. M.S.Swaminathan, the then General President of ISCA, introduced the concept of Focal Theme of national relevance which is now discussed at an Annual Session of the Indian Science Congress. Further, several plenary sessions are organised around various facets of the Focal Theme in which scientists and technologists as well as policy makers and administrators interact with one another. ISCA has thus become an important platform where members from different disciplines and from different walks of life contribute to discussions on the Focal Theme.

Another significant breakthrough was made in 1980, when the Department of Science and Technology, Government of India, set up a permanent Task Force involving representatives of ISCA and chiefs of different agencies and voluntary organizations. Chaired by the Secretary, DST, as being responsible for follow-up action on various recommendations on the Focal Theme. Every year followup actions on recommendations made in the previous Science Congress are discussed at a General Session organized by DST during the Science Congress. Through this process, the Indian Science Congress Association has been contributing to the development of Science in general and National Science Policy, in particular.

ISCA introduced a programme for the benefit of young scientists from its 68th Session in 1981. The Programme enables young scientists to present their proposed research work with opportunities to exchange ideas in the relevant scientific problems with their counterparts and specialists. For the best presentations, such young scientists are given the ISCA Young Scientist Award. The Young Scientist Award has been enhanced from 5,000/- to 25,000/- from 2006 to encourage talented young scientists.

A substantial number of the contributed papers, which are accepted on the basis of a careful screening to be done by the concerned Sectional Presidents with the help of some experts, are presented by way of posters. Further, to encourage scientists it was decided that at most two Prizes of 1000/- in cash along with a certificate be awarded to the Best Poster presentation in each section from 1999 Session. The value of these prizes were enhanced to 5,000/- from 2007. From its 101st Session in 2014 it has been converted to a separate programme. Oral presentations of selected contributed papers are also included in the programme of each section. The Indian Science Congress Association has instituted several Awards to honour and encourage scientists in India – mainly through special endowments received from individuals and groups and also from its own funds. The concept of instituting Awards started from 1965 onwards and presently there are about more than 40 Awards/Lectures that are given by ISCA. From 2013 Asutosh Mookerjee fellowship has been started for senior scientists. At present there are Ten regular fellows.

ISCA CHAPTERS

The Association started organizing popular science lectures in different centers in India from 1962-63. The scheme envisages constructive work for the popularization and advancement of science throughout the year. Till 1985-86 these lectures were delivered at seventeen centres spread over the country. However, this was restructured with the formation of Regional Chapters from 1986-1987. One of the major objectives of the ISCA is to inculcate the Scientific temper among the people and to encourage young scientists to grow up steadily in this direction involving them in the programmes relevant to fundamental, experimental and operational activities. With these objectives in view, ISCA started Chapters from 1986-87 in different places in India. At present twenty six ISCA Chapters are at Allahabad, Amravati, Bangalore, Baroda, Bhubaneswar, Chennai, Cochin, Coimbatore, Delhi, Dharmanagar, Haridwar, Hyderabad, Imphal, Jaipur, Jammu, Kanpur, Kolkata, Patiala, Patna, Pondicherry, Rohtak, Sagar, Shillong, Shimla, Srinagar, Tirupati.

Highlights of ISCA Chapter Activities (2020-2021) Focal theme “Science and Technology for Sustainable Development with Women Empowerment”

ALLAHABAD CHAPTER

Convener : Prof. I. R. Siddiqui

Organised two days national seminar on “Science and Technology in the service of common man” between March 17-18, 2021. Dr.(Mrs.) Vijay Laxmi Saxena, General President of ISCA was Chief Guest and Dr. A. K. Saxena, Former General President of ISCA was Guest of Honour on the occasion of inauguration of the seminar. Science Model Exhibition and debates on “Science and Technology: Development of Nation” was organized on 25th March, 2021 for student of IX, X, XI and XII at MRS School and college, Patel Nagar, Jhansi, Prayagraj.

AMRAVATI CHAPTER

Convener : Dr. Atul Kesharao Bodkhe

Organised one-day National E-Conference on “Science and Technology for Sustainable Development with Women Empowerment” in association with Government Science College, Gadchiroli on 25th March 2021. Dr. Syed Abrar Ahmed- organizing Secretary welcomed the participants and Dr. Atul Bodkhe outlined the activities of the chapter. Inauguration was done by Dr. Vijay Laxmi Saxena, General President, ISCA and Dr. A. K. Saxena, Former General President of ISCA was Guest of Honour. Science Model Exhibition and debates on “Science and Technology: Development of Nation” was organized for student of IX, X, XI and XII at MRS School and college, Patel Nagar, Jhansi, Prayagraj. The Keynote address was delivered by Dr. Devesh Walia Professor, Environmental Studies Department, North-Eastern Hill University, Shillong. Independent Auditor Report

**To the members of Indian Science Congress Association
Report On the Financial Statements**

Opinion:

We have audited the Standalone Financial Statements of M/s Indian Science Congress Association which comprises the Balance Sheet as at 31st March, 2021, endowment fund thereof as on that date, Income & Expenditure Account of Grants (plan & non-plan) and also Receipts and Payments account for the year ended on that date annexed thereto and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, Except for the qualified opinion given under basis of qualification, the aforesaid standalone financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the manner so required in conformity with the accounting principles generally accepted in India, of the state of affairs of the organization as at 31st march 2021.

Basis for Opinion:

We conduct our audit in accordance with the Standard of Auditing issued by Institute of Chartered Accountant of India. We are independent of the organization in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Qualification:

- 1) Grant received from Government during the year is booked in accordance with AS-12. Reconciliation for the same grants has been made available but no reconciliation for difference between total assets account and non recurring fund grant could be made available.
- 2) Interest on Term Deposit credited by bank are net of tax deducted at source. Interest on various funds have been taken at net of tax which should have been at gross value. The total income tax deducted at source from interest on different funds are given below-
 - a) FY- 2020-21 Rs. 6, 81, 761.00 (this include TDS on FD of endowment fund)

- b) FY- 2019-20 Rs 9, 25, 883.00 (this include TDS on FD of endowment fund)
 c) FY-2018-19 Rs. 8, 65,769.00 (including TDS on FD of endowment fund-Rs-1, 16,075.00)
 d) FY-2017-18 Rs. 9,51,651.00

These have not been accounted for resulting in understatement of fund and investment value by Rs. 6, 81,761.00 (refer to note no 18(5) to the notes to Accounts) for current year and Rs. 9, 25, 883.00 for 2019-20.

Further non-accounting of income Tax deducted at source Rs. 6,81,761.00 will amount to loss to the Association, since this is not shown as advance income tax in the books of accounts.

- 3) Contingent liability of Rs. 32,40,302 for income tax demand under dispute/appeal for AY 2012-13 have been disclosed Refer note no 18(6) to the Notes to Accounts. However, current Status of the same could not be made available to us. There could be further contingent liability for case u/s 148 of income tax act. 1961.for FY. 2015-16 and 2016-17.
- 4) Amount sent to 25 Chapters during 2020-21 Rs 42,00,375/- out of these Chapters, 14 chapters have sent the Utilization certificate. They have expended Rs.32,00,000/- for various purposes were charged off without any relation to the nature of expenses and the actual expenses incurred. During the year 2019-20, 10 chapters didn't submit the utilization certificates amounting to Rs.47,68,175.10. (Refer to note 18 (8))
- 5) The Association maintains various fund for different purposes. It is observed that in cases of Building fund , the fund balance does not match with the investment value for which no reconciliation is found to have been done.
- 6) Building fund which was created long back is being carried forward without any action or transaction.
- 7) The following advances are lying unadjusted for a long time:
- | | | |
|---------|------------------------------------|------------------|
| 2012-13 | Ramakrishna Mission Institute | Rs. 8,300.00 |
| 2018-19 | Nathco Infra Project Pvt. Ltd. | Rs. 11,05,315.00 |

- 14) The Association also Received notice from Income Tax Department u/s 148 of Income Tax act. For reopening of case for concealment of income for FY. 2015-16 and 2016-17.

Endowment Fund

- 1) Interest on Term Deposits of Endowment fund has been accounted for on receipt basis and not on accrual basis.
- 2) Huge loss of interest incurred from Endowment Fund as substantial part of it is kept in the savings account instead of Term Deposit with the bank. Out of total balance of Rs. 3,25,41,610.74 in Endowment Fund as on 31/03/2021, Rs. 1,77,54,955.00 is kept in Term Deposit and balance Rs. 1,47,86,655.74 is in savings account. The expenditure (award) in the financial year 2020-21 is NIL and 2019-20 is 2,60,271.80. The reasons for keeping such huge balance in savings account could not be explained.

Our opinion has been modified in these matters.

Key Audit Matters:

Impact of the COVID-19 pandemic on physical assets verification:

Due to Covid-19 situation, the person selected by executive committee for the physical verification of assets could not conduct the physical verification of the assets by the time audit was conducted.hence the same should be considered while reading the audit report.

Management Responsibility for the Standalone Financial Statements:

The association's management is responsible for the preparation of these stand alone financial statements that give a true and fair view of the financial position, financial performance and closing cash/bank balances of the association in accordance with the accounting standards and in accordance with the accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the law for safeguarding the assets of the association and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies,

making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of internal financial controls that were operating effectively, for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the organization's ability to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

The management are also responsible for observing the association's financial reporting process.

Auditor's responsibilities for the audit of the financial statements:

Our objectives are to obtain reasonable assurance about the financial statements as whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements:

We report that:

- i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) In our opinion, proper books of accounts as required by law have been kept by the association so far as appears from the examination of those books;
- iii) The Balance Sheet, Income and Expenditure account and the Receipts and Payments account dealt with by this report are in agreement with the books of accounts;
- iv) In our opinion the aforesaid financial statement comply with the accounting standards issued by ICAI, wherever applicable, except

For liabilities on pension, gratuity and leave encashment (AS-15) and depreciation of fixed assets and its written down value (AS-10):

- v) With respect to the matters to be included in the auditor's report, in our opinion and to the best of our information and according to the explanations given to us;

- i. Association has disclosed the impact of pending litigation on its financial Position note 11 under notes to account.
- ii. Association did not have any long term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the investor education and protection fund by the association.

1.	Grant received from Government during the year is booked in accordance with AS-12. Reconciliation for the same grants has been made available but no reconciliation for difference between total assets account and non-recurring fund grant could be made available	For the last years, ISCA has started accounting capital grant as per AS-12. However, reconciliation is still under process for differences between total assets account and non-recurring fund grant.
2.	Interest on term deposit credited by bank are net of tax deducted at source. Interest on various funds have been taken at net of tax, which should have been at gross value. The total income tax deducted at source from interest on different funds are given below –	Form 16 issued by bank towards TDS on interest does not clearly reflect from which interest TDS is deducted. moreover some TDS details are missing from certificate in all 4 quarters therefore proper accounting of them deposit interest could not be made even after repeated discussion with bank.
a)	F.Y. – 2020-21 Rs. 6,81,761.00 (this include TDS on FD of endowment fund)	
b)	F.Y. – 2019-20 Rs.9,25,883.00 (this include TDS on FD of endowment fund)	
c)	F.Y. – 2018-19 Rs.8,65,769.00 (including TDS on FD of Endowment Fund-Rs-1,16,075.00)	Since year 2021 onwards that tax audit and income Tax filing to be completed every year so that the association can get the refund of TDS.
d)	F.Y. – 2017-18 Rs.9,51,651.00 These have not been accounted for resulting in understatement of fund and investment value by Rs.6,81,761.00 (refer to note no.18(5) to the notes to accounts) for current year and Rs.9,25,883.00 for 2018-19. further non account of income tax deducted at source Rs.6,81,761.00 will amount to loss to the association, since this is not shown as advance income tax in the books of accounts.	
3.	Contingent liability of Rs . 32,40,302 for income tax demand under dispute/ appeal for AY 2012- 13 have been disclosed refer note no 11 to the notes to account. however, current status of the same could not be made available to us. (Refer to note -18(6))	The Income tax appeal which was filed for respective year is yet not fixed for hearing therefore the matter is pending.

THE INDIAN SCIENCE CONGRESS ASSOCIATION

Note – 17

Significant Accounting Policies:

1. The Accounts are prepared on Historical cost basis under going concern concept.
2. Income From Subscription, Government Grant And Interest on Investments are accounted for on accrual basis.
3. Subscriptions received for the month of February and March is taken as Pre-receipted subscription for the following year.
4. 20% of Life Membership subscription (net of expenses) is treated as net income in the year of receipt and balance 80% is kept in Life Membership Subscription Fund Account as per decision of the Finance Committee at its meeting held on 21.09.2013 following by the approval of the Executive Committee meeting dated 04.10.2013.
5. Transfer of Rs. 50000 instead of Rs. 25000 to Reserve Fund Account from General Fund Account as per decision of Finance Committee at its meeting held on 21.09.2013 following by the approval of the Executive Committee meeting held on 04.10.2013.
6. Fixed Assets in the Balance Sheet are taken at cost less depreciation provided w.e.f. 2006-07 except "Plan Subscription of journal" which is shown in the Balance Sheet at cost less depreciation as effective from 2010-11. Thus arrears of depreciation on fixed assets (other than " Plan Subscriptio of journal) up to 31.03.2006 are reduced from the cost of fixed assets to arrive at w.d.v. for computation of depreciation on fixed assets for the current year at the rate prescribed by The Income Tax Act. 1961. In case of " Plan Subscription of Journal" arrears of depreciation up to 31.03.2010 are reduced from the cost to arrive at w.d.v. for computation of depreciation.
7. The funds are given under Plan and non plan bifurcation. Further Under Plan Expenditure and Non Plan Expenditure , the Expenses are allotted into Capital, General and Salary Expenditure.
8. Investment in Term Deposit other than Endowment are stated at carrying cost and accrued interest on term deposits are taken into the Fund Account. However, at the time of maturity of Term Deposits invested out of General Fund, the total interest accrued thereon is credited to income and Expenditure Account by transferring from General Fund Account.
Investments are mostly made for the period of 39 months since the interest for this period yields maximum rate of interest.
9. Interest On Investments in Term Deposit in Endowment Fund is accounted for in cash basis.
10. Guest House Lodging charges and service charges for ISCA Lecture Hall has been accounted for in cash basis during the year.

Note – 18**Notes on Accounts:**

1. Management has not given physical verification report of Library Books, Journal and ISCA priced publication of proceedings for the year 2020-21.
2. "Plan subscription of Journal" although capitalized in 2008-09, no depreciation has been charged till 31.03.2010. however, during the current year Rs. 53.63 has been charged as depreciation in income & expenditure Account.
3. The basis of allocation of Non Recurring Fund Grant transferred as per the actual expenditure incurred on account of Capital Assets to Grant Fund Account.
4. The Plan and Non Plan Grant is received from DST under i) General, ii) Salary and iii) Capital without specifying sub heads. However, the reconciliation of the 3 major heads is mentioned above is made. The Association also submits the Utilization Certificate to DST on Quarterly basis.
5. Income Tax Deducted at Source from Interest on Term Deposits with the Banks has not been accounted for due to non availability of required details from the bank. The matter has been taken up with the Bank and necessary action will be taken on availability of proper documents.
6. Contingent Liability for the Income Tax Demand of Rs. 32,40,302/- for Assessment Year 2012-2013 is under appeal.
7. Figures of the previous year have been re-grouped and re-arranged where necessary to make them comparable with the figures of the current year.
8. It is recommended that balance sheet, receipt and payment account and a Certificate of utilization of fund containing UDIN signed by Chartered Accountant in standard format should be obtained from all chapter within 31st May from the end of the financial year.
