Dear Sirs,

The Indian Science Congress Association (ISCA) is one of the largest scientific institutions in India. It is a professional body under Department of Science & Technology, Government of India.

Our three storied Office building located at Kolkata at the above mentioned premises is facing a problem of water seepage from its roof. We look forward to avail of your expertise and services to have a solution of this water seeping problem. I would therefore like to invite you to come forward and help us to execute the work. We prefer to have a complete solution including its execution under your supervision with the minimum service life of 10 years. In the light of the above we request you to have the inspection of our premises and put forward your quote and offer for execution of the same.

You are requested to kindly submit the most competitive rates for the above in a sealed envelope and it should reach the undersigned superscripting the envelope "**Quotation for Roof Treatment**" within 22nd February, 2016 along with the Credentials and copy of valid Trade License, Sales Tax/VAT and PAN. It may be noted that ISCA reserves right to reject any quotation without assigning any justification.

For further enquiry you may kindly contact with Mr. Lakra, ISCA office in any working days between 11 a.m. to 5.00 p.m.

(Amit Krishna De)
