### **Important Announcement**

#### **Special issue of the Journal of Thermal Analysis and Calorimetry devoted to SATAC-2021**

The International Symposium on Applications of Thermal Analysis and Calorimetry (SATIC-2021) organised in the University Department of Chemistry, Magadh University, Bodh Gaya-824234 (India) during December 21-22, 2021, was a grand success. There was also a pre-Symposium Session on 20<sup>th</sup> December. During the three days, an altogether 14 Plenary and Invited lectures were delivered by world's who's who covering almost all popular branches of Thermal Analysis and Calorimetry. The participants were from a dozen American, European, and Asian countries. From India, almost all Universities and Laboratories were represented which are active in research in TA & C.

As announced earlier, a **Special issue of the Journal of Thermal Analysis and Calorimetry** (Impact Factor 4.626; 2020) **devoted to SATAC-2021 is being published in 2022**. Full manuscripts are being submitted using the editorialmanager system (<http://www.editorialmanager.com/jtac/>). **On popular demand, the last date for submission of a full length article to JTAC has been extended up to 31.3.2022**. The papers will be considered on first come first serve basis. So you may submit your paper related to thermal analysis and calorimetry following the guidelines at <https://www.springer.com/journal/10973/submission-guidelines>.

While submitting, it is essential to mention SATAC-2021 in the "Comments" field. **The publication is expected in the second part of 2022. Though, the papers can be read on the Online First much more earlier**
